Monday, March 16
6pm-8pm
James Cohan Gallery
533 West 26th Street**

Congo/Women is an international photography exhibition and educational campaign that raises awareness of the widespread sexual violence facing women and girls in the Democratic Republic of Congo (DRC). The exhibition features powerful life-size photographs that convey the strength and courage of Congolese women. Accompanying essays contextualize the impact of the crisis from a range of perspectives. An advocacy partnership with the Enough Project's Raise Hope for Congo campaign provides tools to demand action and involvement from the global citizenry.

Hosted by:

Jane and James Cohan

Special Guest Speakers:

Carroll Bogert

Associate Director, Human Rights Watch

Noella Coursaris Musunka
